God created the world and all that live in it! The rainforest is full of animals and plants that live there, such as elephants, monkeys, and sloths. All of these creatures were created by God! The rainforest is really big, but it only makes up a small portion of this big, beautiful Earth.

The rainforest may seem far away, but you can help right here at church! Rainforest Explorers are sending 101 Bible Stories, My First Catechism, and other books to the second largest island in the world.

Mission: Papua New Guinea is an outreach project that sends books about God's love to kids in Papua New Guinea. This project focuses on reaching children and families there who have not heard the Gospel or do not have any books about Jesus.

By getting your students involved in this project, you will teach them—and the kids they help us serve—that God values all people regardless of race, ethnicity, or social status. You will teach that God knows and loves everyone in this big, big world and He will never forget them.
