- » Set the goal amount you want to raise! Hang the poster that is on the back of this brochure and mark your progress toward your goal.
- » Find tips and free downloadable tools at concordiagospeloutreach.org/mission.
- » Show the five Mission Project Videos to share information about this outreach project.
- » Create a display for Mission: US! In addition to using the chart on this brochure to track the donations, see display ideas and resources and learn more about the mission at concordiagospeloutreach.org/mission.

Experiments and other forms of scientific exploration help us to see how God made the world we live in! We start to explain how things are possible with our findings. However, during Jesus' time on earth, He did things that are impossible to explain. His greatest miracle of all was dying on the cross and rising from the dead to give us the gift of eternal life.

There are kids all over the world who do not know what impossible things Jesus did for them. You can help spread the Gospel right here at church! With your help at *God's Wonder Lab*, we can send books and other Jesus-focused materials to those in communities just like yours that need to hear the Good News!

MISSION: US

AS FAR AS THE EAST IS FROM THE WEST, SO FAR DOES HE REMOVE OUR TRANSGRESSIONS FROM US.

Psalms 103:12

Mission: US is an outreach project that sends books about God's love to kids in communities all over the United States. This project focuses on reaching children and families in our own country who have not heard the Gospel or do not have any books about Jesus. By getting your students involved in this project, you will teach them—and the kids they help us serve—that God values all people regardless of race, ethnicity, or social status. You will teach that God did the impossible for all of us and knows and cares about our struggles.
