SHARING GOD'S MIRACULOUS MESSAGE

God created a big, beautiful world for us to live in! Earth is big, but it's in an even *bigger* solar system! When you see pictures of our planet from outer space, it makes everything here seem so small—and it reminds us of how big our God is, since He created all of space!

When we're in our little corners of the world, though, we can forget that the world is so big and we are so small. And we can forget that in this big world, there are a lot of people who don't know Jesus yet.

Sharing God's Miraculous Message sends *The Work of His Hands for Kids*, a Bible-based book about God's love for everyone available in English and Spanish, to kids in the United States who need to hear the Gospel.

HELP SEND BOOKS TO KIDS!

Sharing God's Miraculous Message is an outreach project that sends books about God's love to kids around the United States. The project focuses on reaching children and families in this country who have not heard the Gospel or do not have any books about Jesus.

By getting your students involved in this project, you will teach them—and the kids they help us serve—that God values all people regardless of race, ethnicity, or social status. You'll teach that God knows and loves everyone in this big, big world, and He will never forget them!
