

INTRODUCTION TO CONFIRMATION

WHAT IS WORSHIP?

ACTIVITY

HYMN SING

Bring hymnals and songbooks to class and let students pick out their favorite hymns and Christian songs to sing together. Accompaniment for many hymns can be found at the Concordia Publishing House Music channel on YouTube in the “One LSB Hymn a Week” playlist.

You could also ask a pianist or other instrumentalist (perhaps a student) to accompany the hymn sing or to play music for the group.
