

INTRODUCTION TO CONFIRMATION

WHAT IS WORSHIP?

ACTIVITY

MUSICAL GUEST

Invite the music director or organist to visit the confirmation class. Ask him or her to describe to the class how the hymns and music for each Sunday are chosen and how they relate to the Biblical theme of the day. Ask students to share their favorite hymns, songs, and parts of the worship service. Encourage students to ask questions about the music in the worship service. If you have time, visit the organ or music space in the church to allow students to see the organ or musical instruments up close.
