

THE LORD'S PRAYER

THE FOURTH PETITION

ACTIVITY

ALPHABET EVERYTHING

Theme: All that we have comes to us at the hand of God, our gracious and loving provider.

Materials: None

Procedure: (5–7 minutes)

To begin this activity, have the first student list an item beginning with the letter *a* to complete the sentence “I enjoy God’s blessings, including . . .” The next student repeats the sentence and the item beginning with the letter *a* and then adds an item beginning with the letter *b*. The third student repeats the sentence and the items beginning with *a* and *b* and adds an item beginning with the letter *c*. Continue going around the room several times or, if interest prevails, until you have made it through the entire alphabet.

Stress that all we are and have—including our eternal life and salvation—comes to us from our loving, merciful, and generous God.
