ACTIVITY

CHURCH FIELD TRIP

Help students understand what various church groups do by taking them on a field trip. Arrange with a church group for the students to visit while they are meeting or working to see firsthand what they do. A variation on this idea is for each student to shadow a member of a group. Listed below are some groups the students could visit:

- Adult Choir
- Handbell Choir
- Altar Guild
- Food Bank
- LWML
- Property Crew
- Sound Crew
- Bulletin Folders
- Nursery Workers
- Ushers
- Board of Directors
- Elders
