

# THE TEN COMMANDMENTS

## THE FIRST COMMANDMENT

### ACTIVITY

#### A MATTER OF PRIORITY

**Theme:** God wants us to fear, love, and trust in Him above all things.

**Materials:** Coins or paper money, paper, pens or pencils, chalkboard or whiteboard, chalk or markers

**Procedure:** (5 minutes)

Ask students to each list five things that are most important to them right now. Encourage them to be honest. Compile a master list on the board. Discuss how many of the items on the list can be acquired with money. Show the money. Point out that money bears the inscription "In God We Trust." Discuss how our use of money and the other items on the list is one indicator of the important role God plays in our life.
