

Food from Heaven - God Cares for His People

Draw & Color

Every morning, God sent manna, sweet pieces of bread from heaven. The people ate it. In this way, God provided food for their journey. Draw some manna on the ground or add small pieces of white tissue paper. I wonder . . . what food has God provided for you today?

[God said,] “Then you shall know that I am the LORD your God.” **Exodus 16:12**
