

Lesson 6

Deborah
Judges 4

ACTIVITIES

Choose from the following activities and crafts to help connect Bible learning to life.

Palm Tree Snack

Give children broccoli florets and ranch dressing. Talk about how the broccoli looks like little trees. Say,

Palm trees remind us of Deborah, who sat under a palm tree to help God's people with their problems.

Unlikely Heroes

Have older children do online research about these unlikely heroines of the Bible. Encourage them to report to the family or friends.

Shiphrah and Puah (Exodus 1:15–22)

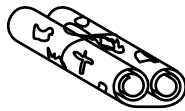

Rahab (Joshua 2:15–21)

Joanna and Susanna (Luke 8:1–3)

Bible Scroll Craft

Through His Word, God makes us “wise for salvation through faith in Christ Jesus” (2 Timothy

3:15). Have children cut the bottom off a paper lunch bag and cut the bag open to make a long piece of paper. Have them draw a cross in the middle of the paper. They will write the Bible Verse on the paper and decorate with stickers. Roll the sides toward the center. Tie with string or yarn to make a Bible scroll. Talk about how true wisdom comes from God's Word.

Sing and Praise

Give children construction-paper palms, green chiffon scarves, or ribbon twirlers.

Play favorite praise songs and encourage children to wave their palms, scarves, or ribbons as they sing along.
