

The Rescuing Queen — Esther

Finish & Color

Queen Esther and her people need God’s help. She is praying in her room. Color her blankets. Connect the dots on her crown. I wonder . . . did God answer Esther’s prayer? You can pray too. God hears our prayers and answers them in a way that is best!

In You I trust . . . for
You are the God of my
salvation. **Psalm 25:2, 5**
