

Lesson 10

A Fiery Marvel
Daniel 3

ACTIVITIES

Choose from the following activities and crafts to help connect Bible learning to life.

Fruit Snack

Serve orange slices and strawberries. Point out they are fire colors. Fruit is refreshing on a hot day. God kept the three men cool in the hot furnace.

God's Angels

Show an angel figure as you talk about what God's angels do. **We don't know what angels look like. But we know they serve God. God sent an angel to help Shadrach, Meshach, and Abednego when they were in the furnace. God protected them so they weren't hurt. God's angels help us too. We can't see the angels, but they are always with us, watching over us.**

Action Song

Sing to the tune of "Are You Sleeping?" Have children do the actions. Sing, **When the dog barks** (*woof like a dog*), **when the dog barks** (*woof*), **God's with me, God's with me. God protects and helps me, God protects and helps me. Thank You, God; thank You, God.**

Stanza 2: **When it's storming** (*whoosh like wind*), . . .

Stanza 3: **When I feel sick** (*rub tummy*), . . .

Stanza 4: **When I'm scared** (*crouch in fear*), . . .

Stanza 5: **Every evening, every morning** (*arms wide*), . . .

Play Dough Fun

Set out play dough, rolling pins, and cookie cutters shaped like angels or circles and triangles. Show children how to cut out the angels or make them by cutting out triangles and circles. Talk about how God's angels are with us to protect us.
