

Lesson 14

Mission Wonders
Luke 10:1–12, 17–20

ACTIVITIES

Choose from the following activities and crafts to help connect Bible learning to life.

Play-Dough Fun

Set out red and brown play dough, rolling pins, and cross and heart shaped cookie cutters. Make a red heart. Say, **Hearts remind me of love.**

Who loves you? Make a brown cross. Crosses remind me of Jesus. Hearts and crosses tell a story: Jesus loves us. He died on the cross for us to forgive our sins. This is the best news. It is called the “Gospel.” That means Good News. You can tell the story about Jesus and His love too. Who will you tell?

Trail Mix Snack

Ahead of time, make a trail mix of oat O’s cereal, raisins, and chocolate chips (or other ingredients). Put a little in a paper lunch bag for each child. Tell children trail mix might be eaten when walking on a trail. Jesus’ disciple friends walked on trails from one town to the next to tell of Jesus’ love.

Bible Verse Fun

Say, **In the Bible, Jesus says, “Tell . . . how much the Lord has done for you”** (Mark 5:19). **Jesus sent some friends to tell others about Him. Jesus gives us people who teach us about Him. You can show His love and tell others about Him too.** Say the Bible Verse with actions: **Tell** (*cup hands around mouth*) **how much** (*hold hands out wide*) **the Lord** (*point up*) **has done** (*pound one fist on top of the other*) **for you** (*point to children*).

Witness Necklaces

Set out red and white pony beads and plastic lacing. Have children string beads on lacing to make a necklace. (Or make pasta necklaces: color half the pasta red by shaking together in a large zipper bag 2 cups tube-shaped pasta, 1 tablespoon rubbing alcohol, and 4 to 6 drops of red food coloring; dry on paper towels.) Say, **Red reminds us of Jesus’ blood when He died on the cross for us. White tells us Jesus took all our sins away. Use your necklace to tell this Good News.**
